HOW IT WORKS

1

PAYMENT AND DESIGN

Choose your hat style, materials, and decoration. Share inspiration or upload your artwork. Our team will create the design or utilize your existing graphics.

2

MOCK UPS

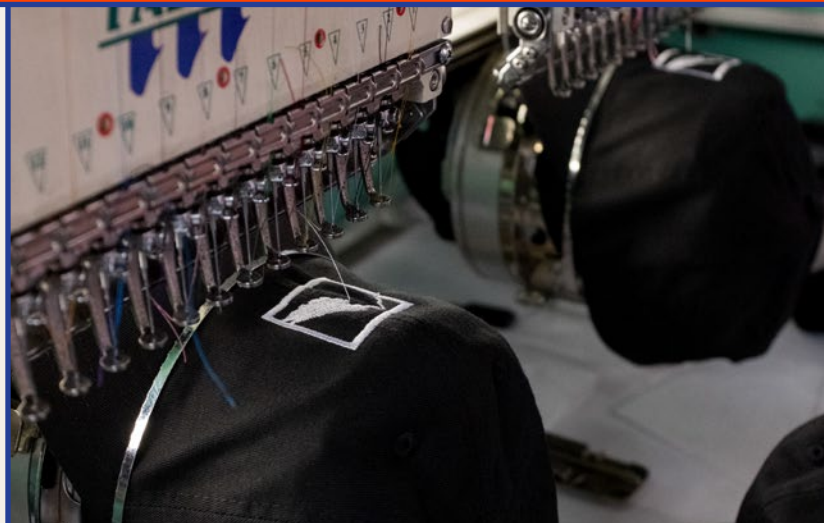

We create detailed mockups and a production-ready tech pack. Placements, materials, and colors are clearly defined. You review and approve everything before production begins.

3

PRODUCTION AND DELIVERY

Once approved, your hats move into production. Quality checks are performed throughout the process. Finished goods ship directly to your door. Typical timeline: 7-8 weeks

CHOOSE YOUR FABRIC

**COTTON TWILL**

A durable cotton fabric with a smooth finish. Holds structure well and is ideal for everyday wear and embroidery.

**COTTON CANVAS**

Heavier and more rugged than twill with a textured feel. Ideal for workwear-inspired and structured styles.

**COTTON POLY**

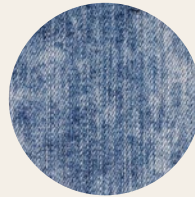

A blended fabric that balances softness and durability. Holds color well and resists wrinkles.

**CORDUROY**

A ribbed cotton fabric with rich texture and depth. Popular for vintage and lifestyle styles.

**DENIM**

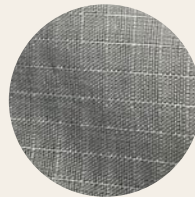

Classic cotton denim with a durable workwear feel. Breaks in naturally over time.

**WASHED TREATMENTS**

Add a washed finish for a natural, broken-in look.

**FAUX SUEDE**

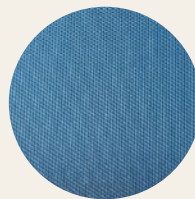

Soft, brushed fabric that delivers the premium look of suede without the weight.

**RIPSTOP**

Lightweight woven cotton with a reinforced grid pattern for added strength and durability.

**POLYESTER**

Breathable polyester fabric designed for performance hats and high-heat environments.

**NYLON**

Lightweight and durable with a smooth finish. Naturally water-resistant.

**CAMO**

Printed cotton fabric with camouflage patterns. Delivers a soft, natural feel with a classic outdoor look.

**MESH**

Classic breathable mesh commonly used on trucker hats. Lightweight and comfortable for all-day wear.

Dozens of additional fabrics and swatches to choose from.

CHOOSE YOUR DECORATION

FLAT EMBROIDERY

Clean, low-profile embroidery stitched directly onto the hat. Best for everyday wear and simple logos.

3D RAISED EMBROIDERY

Foam-backed embroidery that adds depth and structure for bold, dimensional logos.

WOVEN PATCH

A finely woven patch that captures small details and clean edges with a stitched-on finish.

CHENILLE PATCH

Plush, towel-like embroidery with a raised texture. Commonly used for varsity-style lettering and bold graphics.

EMBROIDERED PATCH

Thread-based patch with texture and depth, sewn onto the hat for a classic look.

WOVEN LABEL

Used on the front, side, or interior of the hat for subtle branding.

FELT PATCH

A soft, textured patch made from felt material. Great for vintage, collegiate, or heritage-inspired designs.

LEATHER PATCH

Genuine or faux leather patch for a premium, rugged finish with debossed or engraved artwork.

CHAIN-STITCH EMBROIDERY

A vintage-style stitch with bold lines and texture, commonly used for script or heritage designs.

PRINTED PATCH

Full-color patch with photo-quality detail, ideal for complex or multi-color artwork.

PVC RUBBER PATCH

Flexible rubber patch with molded depth and sharp edges – durable, modern, and water tight.

PRINTED

Direct print for artwork with gradients or fine detail that embroidery cannot capture.

COMMON QUESTIONS

WHAT'S THE MINIMUM ORDER QUANTITY (MOQ)

Our minimum order is 100 hats per style. This allows us to fully customize materials, construction, and decoration.

WHAT'S THE TURNAROUND TIME

Most custom hat projects take 8-10 weeks from kickoff to delivery. This includes design setup, sampling, production, and shipping.

WHAT CUSTOMIZATION OPTIONS ARE AVAILABLE

Every element can be customized, including: Fabric and color, Fit and structure, Decorations, Interior branding, Stitching and trims. We do it all!

DO YOU OFFER SAMPLES

Samples are available once a full order is confirmed. We'll share photos of the sample for approval. For physical samples shipped to you, you cover \$40 shipping.

HOW IS PRICING DETERMINED

Pricing is based on quantity, materials, construction, and decoration. You'll receive a clear, all-in invoice before we begin. Payment is paid in full.

CAN YOU HELP WITH DESIGN

Yes, our in-house design team can help create or refine your hat design and get it production-ready.
